

GRO-POWER® HI-NITROGEN 14-4-9 is a high analysis fertilizer that feeds all lawns. It contains two types of Nitrogen: Urea Nitrogen and Ammonium. Phosphoric Acid will help develop deep vigorous roots. Potash will aid in resisting disease and extremes in weather. Sulphur has been added to help control the pH and to help promote deep green foliage. GRO-POWER® HI-NITROGEN 14-4-9 also contains humic acids, which may increase micronutrient uptake. After GRO-POWER® HI-NITROGEN 14-4-9 is applied and watered thoroughly, there is a steady release of nitrogen.

HOW TO APPLY FOR BEST RESULTS

Normal Application..... 7–8 lbs. per 1,000 sq. ft.
Feed every 8–10 weeks.

Light Application..... 5–6 lbs. per 1,000 sq. ft.
Feed every 4–6 weeks.

Check with your nursery or spreader manufacturer for recommended spreader settings. The setting on spreader may vary due to the age and use; check the settings carefully. Broadcast spreader rates are also dependent on the speed the spreader is pushed. Carefully calculate the area to be fertilized and make certain the proper number of pounds is being applied to area.

CAUTION: Close spreader opening when turning, stopping and filling spreader.

IMPORTANT: This product is **NOT** recommended for Dichondra lawns or for use in soil preparation.

Application timing, intervals, and rates may vary according to individual soil types, available nutrient levels in the soil, and overall nutritional status of the lawn. GRO-POWER® HI-NITROGEN 14-4-9 can be used effectively in conjunction with other GRO-POWER® products (such as GRO-POWER® 5-3-1 and GRO-POWER® 5-3-1 PLUS).

Some states require: Do not apply if a heavy rain is expected. Do not apply near water, storm drains, or drainage ditches. Apply only to the intended application area. Sweep any product that lands on an impervious surface back onto the application area. This product is only intended for use in establishing or repairing turf or if a soil test indicates a phosphorus deficiency.

WARRANTY

Warranty of this material, either expressed or implied, is limited to a guarantee of the composition as shown on the label inasmuch as uses are beyond the seller's control. For the same reason, seller is not liable for any injury to living things, crops, soils, or materials that may result from the use or storage of this material.

Information regarding the contents and levels of metals in this product is available on the internet at <https://www.AAPFCO.Org/Metals.html>.

HARMFUL IF SWALLOWED.

GUARANTEED ANALYSIS:

Total Nitrogen (N) 14.00%
1.57% Ammoniacal Nitrogen
12.43% Urea Nitrogen
Available Phosphoric Acid (P₂O₅) 4.00%
Soluble Potash (K₂O) 9.00%
Sulfur (S) 3.00%
Derived from ammonium phosphate and potassium sulphate.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:
6.00% Humic Acids (derived from Leonardite)
