

GRO-POWER® Premium Azalea, Camellias and Rhododendron Food is designed especially for Azaleas, Camellias, Rhododendron, Gardenias, Clematis, and all acid-loving plants, including Evergreens. It is clean, without odor and is formulated to help develop deep, vigorous roots, rich leaf color and more flowers.

GRO-POWER® Premium Azalea, Camellias and Rhododendron Food contains slow release nitrogen, phosphorus, potassium plus micronutrients, and humic acids which can aid in micronutrient uptake. The basic material in GRO-POWER® Premium Azalea, Camellias and Rhododendron Food retains available cations such as calcium and magnesium for the plants, conditioning the soil, helping break up compacted soils, and promoting water conservation. GRO-POWER® Premium Azalea, Camellias and Rhododendron Food adds potash to the soil that tends to lessen many plant diseases.

## HOW TO APPLY FOR BEST RESULTS

For feeding your entire garden, apply 2 lbs. (about 4 cups) per 100 sq. feet. Feed 4 times annually. Water thoroughly after each application. Consider supplementing with GRO-POWER® Premium Green Iron (40% Fe) to help prevent and correct extreme chlorosis.
